The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Henderson Railroad Spur Safety Improvements in Fiscal Year 2027. The entity to receive funding for this project is the City of Henderson, located at 240 S. Water Street, Henderson, Nevada 89015.

The funding will be used to implement critical safety, reliability, and state-of-good-repair improvements along a 7-mile railroad transportation corridor that runs through the heart of the community.

The project is a responsible use of taxpayer funds because the rail line serves critical industrial users and supports the local economy, and much of the underlying infrastructure has significantly exceeded its intended lifespan, increasing safety risks, maintenance costs, and the likelihood of service disruptions.

The project has a Federal nexus because the funding provided is for purposes authorized by section 22907 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
