The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Henderson Vision Zero Traffic Safety Improvements in Fiscal Year 2027. The entity to receive funding for this project is the City of Henderson, located at 240 S. Water Street, Henderson, Nevada 89015.

The funding will be used to implement critical safety infrastructure improvements along high-volume, high-speed corridors that serve as primary routes for students, parents, and school staff.

The project is a responsible use of taxpayer funds because this project will implement traffic safety improvements for vulnerable road users, including pedestrians and bicyclists, at up to eight locations across Henderson, mitigating and helping to prevent traffic crashes and traffic related fatalities in the City of Henderson.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus
Member of Congress
