The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Northeast Apron Expansion at LAS Airport in Fiscal Year 2027. The entity to receive funding for this project is the Clark County Department of Aviation, located at 5757 Wayne Newton Boulevard, Las Vegas, Nevada 89111.

The funding will improve operations at LAS airport by increasing availability of aircraft parking and aeronautical land uses in response to an increased demand for these facilities. The additional aircraft parking will also function to offset phased construction closures planned for the redevelopment of the aging Terminal 1 facilities.

The project is an appropriate use of taxpayer funds because improvement and modernization of airport facilities at Harry Reid International Airport are vital to accommodating the ongoing growth and continued demand for air service to Las Vegas. The airport is also central to supporting Southern Nevada's tourism economy.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus
Member of Congress
