The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Prosecution and Victim Services Software Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the City of Las Vegas, located at 495 S Main Street, Las Vegas, Nevada 89101.

The funding would be used to implement a modern prosecutor case-management platform to significantly expand and modernize victim services. The project will enhance real-time victim communication, improve safety for victims of domestic violence, streamline case processing including trial subpoenas, and support diversion and specialty-court screening. The case-management platform will also assist with victim service communication across Southern Nevada jurisdictions.

The project is an appropriate use of taxpayer funds because it improves public safety, reduces repeat offenses, and strengthens victim services through a modern prosecutor case-management system.

The project has a Federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus
Member of Congress
