The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for RTC Bike Share Dock Replacement in Fiscal Year 2027. The entity to receive funding for this project is the Regional Transportation Commission of Southern Nevada, located at 600 S Grand Central Parkway, Suite 350, Las Vegas, Nevada 89106.

The funding will be used to modernize and replace aging RTC Bike Share infrastructure by upgrading 279 bike share docks and 21 stations across the existing network. Each restored station will include artwork to enhance visibility and neighborhood cohesion.

The project is a responsible use of taxpayer funds because ensuring a state of good repair for the Bike Share infrastructure through replacement of aging equipment protects prior public investment, improves safety, and keeps the system reliable and accessible. It will also help maintain and expand access to alternative transportation options.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus
Member of Congress
