The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Security Improvements at the Flamingo Water Resources Center in Fiscal Year 2027. The entity to receive funding for this project is the Clark County Water Reclamation District, located at 5857 E. Flamingo Road, Las Vegas, Nevada 89122.

The funding is for the planning and design of the security improvements desperately needed at the Flamingo Water Resource Center (FWRC). There are several aspects of the security system at the FWRC that need to be addressed to provide additional safety and security at the site.

The project is an appropriate use of taxpayer funds because it would benefit the 2.23 million residents of the Las Vegas Valley, not including the tens of millions of annual visitors to Southern Nevada, by providing additional water resources to support both residents and visitors' water needs.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
