The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Crisis Negotiation Command Vehicle for the City of Henderson, Nevada, in Fiscal Year 2026. The entity to receive funding for this project is the Henderson Police Department located at 223 Lead Street Henderson, NV 89015.

The purpose of the project is to acquire a new streamlined Crisis Negotiation Command Vehicle to replace a two-decades old mobile command vehicle and to upgrade associated technologies and functionalities.

This is a responsible use of taxpayer funds because the new Crisis Negotiation Command Vehicle will function as the Department's primary mobile command vehicle. This new command vehicle will be outfitted with the latest technology to serve the citizens of Henderson in emergency situations, including two distinct areas for negotiators and tactical/incident command.

The project has a Federal nexus because the funding provided is aligned with the purposes of section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus
Member of Congress
