Chairman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the RTC Bike Share Expansion project in Fiscal Year 2026. The entity to receive funding for this project is the Regional Transportation Commission (RTC) of Southern Nevada, located at 600 South Grand Central Parkway, Suite 350, Las Vegas, Nevada 89106.

The purpose of the project is to enhance mobility and connectivity throughout key areas of downtown Las Vegas, the Maryland Parkway corridor, and the UNLV campus by expanding RTC's bike share network.

This is a valuable use of taxpayer funds because this expansion represents a significant step toward building a more connected and sustainable transportation system in Southern Nevada. By increasing the availability of RTC Bike Share bikes and stations, RTC aims to provide a flexible transportation option for residents and visitors alike.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
