The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Nevada Way Rehabilitation project in Fiscal Year 2026. The entity to receive funding for this project is the Regional Transportation Commission (RTC) of Southern Nevada, located at 600 South Grand Central Parkway, Suite 350, Las Vegas, Nevada 89106.

The purpose of the project is to rehabilitate Nevada Way from Wyoming Street to Park Street through the historic downtown area of Boulder City and reconstruct Park Street from Nevada Way to Colorado Street/Utah Street. The project will repave, restripe, and replace deteriorating asphalt on the roadway. The rehabilitation will include Complete Streets components such as raised crosswalks with pedestrian-activated flashers. The project also includes upgrades to ADA and pedestrian access, especially around Wheeler Park where sidewalks and ramps are currently limited.

This is a valuable use of taxpayer funds because it will enhance access to businesses and notable destinations along Nevada Way, like the Lake Mead National Recreation Area, contributing to economic vitality in this rural community.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
