The Honorable Tom Cole
Chairman

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for an Integrated Ballistic Identification System in fiscal year 2025. The entity to receive funding for this project is the City of Henderson, located at 240 Water Street, Henderson, NV 89015.

The funding would be used for obtaining an Integrated Ballistic Identification System which will improve law enforcement's ability to link cases and solve crimes more efficiently and expeditiously.

This is a responsible use of taxpayer funds because it enhances public safety while also cutting costs that could be used elsewhere to prevent crime.

The project has a Federal nexus because the funding provided is for purposes described in Section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus
Member of Congress
