The Honorable Tom Cole  
Chairman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Nevada Way Rehabilitation Project in fiscal year 2025. The entity to receive funding for this project is the Regional Transportation Commission of Southern Nevada, located at 600 S. Grand Central Pkwy. Ste. 350 Las Vegas, NV 89106.

The purpose of this project is to replace failing asphalt; repave and restripe the roadway to include Complete Streets components, such as enhanced crosswalks, in the downtown business corridor; and add ADA and pedestrian access improvements/upgrades, particularly on the streets around Wheeler Park where there are currently very limited sidewalks and ramps for access to the park.

The project is an appropriate use of taxpayer funds because it enhances the resiliency of the infrastructure, uses more efficient concepts, supports economic growth, and promotes equity in an important Southern Nevada locality.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
