The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the SR 147 Improvements project in fiscal year 2025. The entity to receive funding for this project is the Nevada Department of Transportation, located at 1263 South Stewart Street, Carson City, NV 89712.

The purpose of this project is to provide safety enhancements for a portion of SR 147 in North Las Vegas. These enhancements include American Disabilities Act (ADA) improvements, lighting, traffic signals, and striping replacement.

This is a responsible use of taxpayer funds because it will better ensure the safety of pedestrians and drivers who utilize the roadway.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
