Chairman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the SR 159 Charleston Boulevard Preservation project in fiscal year 2025. The entity to receive funding for this project is the Nevada Department of Transportation, located at 1263 South Stewart Street, Carson City, NV 89712.

The purpose of the project is to preserve pavement, replace signs and striping, and improve lighting, traffic signals, and ADA features.

This is a responsible use of taxpayer funds because it will enhance safety for vulnerable road users while making infrastructure more resilient, thus driving down future costs.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
