Chairman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Red Rock Joint Communications Center project in fiscal year 2025. The entity to receive funding for this project is Clark County, located at 500 S. Grand Central Parkway, 3rd Floor, Las Vegas, NV 89117.

The purpose of this project is to fund a portion of the design costs for a joint project involving Clark County, the City of Las Vegas, the City of North Las Vegas, and the Las Vegas Metropolitan Police Department (LVMPD) to design and construct a Joint Communications Center to serve as a Public Safety Answering Point (PSAP) for police and fire call taking and dispatching for the participating entities.

The project is a responsible use of taxpayer funds because it will benefit all residents in Southern Nevada and enhance emergency management capabilities and emergency operations, especially for large-scale, international events which contribute a significant amount of economic activity for the region.

The project has a Federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dina Titus  
Member of Congress
