

CONGRESS OF THE UNITED STATES
HOUSE OF REPRESENTATIVES
WASHINGTON, D.C.

March 31, 2023

The Honorable Kay Granger
Chairwoman
Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the Regional Transportation Commission of Southern Nevada's (RTC) Advanced Public Transit Driver's Assistance project in fiscal year 2024. The entity to receive funding for this project is the Regional Transportation Commission of Southern Nevada, located at 600 S. Grand Central Parkway, Suite 350, Las Vegas, NV 89106

The funding would be used to replace traditional mirrors on 425 fixed-route transit vehicles with high-definition digital cameras and interior displays.

The project is an appropriate use of taxpayer funds because it will increase safety, reduce accidents, and provide better protections for the traveling public.

The project has a Federal nexus because the funding provided is for purposes described under 49 U.S.C. § 5302(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Dina Titus".
